Memberships may be put on hold for a minimum of one month (and no more than five months) within a twelve-month period at a rate of \$15/month. While your membership is on hold you may not use the Y or register for classes as a member. Hold status requires a 7 day written notice before your next billing cycle. Hold status does not apply to Youth or College Away memberships.

First Month for Hold Period: Last Month for Hold Period:

I've elected to have my membership placed on hold, effective the starting month noted above and continue on hold to the last month noted above. I agree to pay \$15.00 per month for this election. The exact day of month that my membership will be placed on hold and taken off hold will be based on the date I've elected my normal membership payments to be made (either the 1st or 15th of the month).

Signature: Date:

Monthly Draft Members:

For the hold period, I understand that my normal membership rate will not be charged and, instead a \$15.00 hold fee will be charged and automatically drafted from my EFT monthly.

Annual Payment Members:

I understand that I will be charged the full hold fee amount, ("total assessed hold fee"), equal to \$15.00 per month multiplied by the number of months I've elected to place my membership on hold, and my annual membership will be extended by the number of months with no additional charges other than the total assessed hold fee above.
