WHO WE ARE

For 108 years, the Rye Y has been a vibrant and diverse community center, welcoming families and individuals from across the Sound Shore area. From our first day camp in 1948 to our pre-school enrichment, full-day Early Learning Center, school-age and camp programs of today, the Rye Y has given families peace of mind by providing safe, nurturing, affordable child care.

OUR PROGRAM

Toddler: 18-35 months

Pre-School: 3-5 years

AM program: 8:45-11:30am

PM program: 12:30-3:15pm

Choose 3, 4 or 5-day options

Children will learn foundational skills, develop healthy, trusting relationships, and build self-reliance. Our caring child care team will engage children in learning and exploration using the highly-regarded "Creative Curriculum." Children will also enjoy indoor and outdoor recreation, arts and crafts, games, sports, story time, STEM activities, healthy snacks and more! A summer program will be offered onsite.

OUR STAFF

The Rye YMCA Nursery School is led by a team of qualified child care professionals. We select our passionate and dedicated staff for their experience, strong character, maturity, enthusiasm and commitment to our Y values. We pride ourselves on staff retention.
