ENRICHMENT

MOVEMENT

SWIMMING

SPORTS

ART

COOKING

OUR PROGRAM

The Rye Y launched a new Pre-School Enrichment Program in September 2018. Participants may choose between a morning or afternoon program. The program is for children 3-5 years old. All participants must be potty trained. Weekly activities include swimming, arts and enrichment, sports, yoga, literacy activities, cooking and more!

Participants registered for transportation will be bussed to/from Christ Church Nursery School daily or to Rye Presbyterian on Tuesday, Wednesday or Thursday mornings. Participants not being bussed will be picked up/dropped off by parent or guardian at the Rye YMCA. (Bus seating is limited to 19 registered participants)

OUR STAFF

Rye Y staff are selected for their strong character, maturity, enthusiasm and commitment to the Y values of caring, honesty, respect and responsibility. Staff are First Aid and CPR certified and undergo a rigorous hiring process including multiple references and a background check. Upon hire, all staff must complete several child abuse and safety trainings. Safety is our first priority.

STAFF TO CHILD RATIO: 1 staff to every 4 children (3-5 year olds)
